INTERIOR:

Eight (8) passenger interior featuring a single (1) side facing seat on the right hand side followed by a four (4) place club arrangement followed by two (2) single seats in the aft cabin. One (1) belted seat across from lavatory.

The aft lav features right side externally serviceable non-belted flushing toilet with vanity and sink.

The interior was completely refurbished in 2013 by New United Goderich in Ontario, Canada. The refurbishment included all softgoods including carpet, plating, cabin and cockpit seats, and headliner. Veneer is a high gloss burl maple wood with slimline tables with leather inserts. Wood was polished and leather inserts replaced. Nickel Plating.

EXTERIOR:

Overall Matterhorn White with Red and Black Accent Striping. **Painted in 2013 by New United Goderich in Ontario, Canada.**

ALL SPECIFICATIONS ARE SUBJECT TO VERIFICATION UPON INSPECTION - AIRCRAFT SUBJECT TO PRIOR SALE OR MARKET REMOVAL
