## INTERIOR:

- This interior was refurbished in April, 2016 by Duncan Aviation including a new carpet, re-covered divans, lower Sidewalls and 2 single seats.
- This is a 15 passenger interior with forward and aft lavatories and a forward galley. Aft of the forward galley is a 4 place club seating arrangement with pull out tables. Immediately aft of the 4 place club on the left hand side of the cabin is a 2 place club seating area and directly across from a 4 place divan. There is a mid-cabin bulkhead with a pocket door that separates the forward cabin seating area from the aft cabin seating area. The aft seating area consists of 2 place club seating on the left hand side and a 3 place divan immediately across on the right hand side. The aft seating area is followed by the aft lavatory and baggage compartment. The cabin headliner is light colored Ultra Leather. The window surrounds are covered with the same Ultra Leather as the headliner. The wood veneer is dark fine grained with a satin finish. The plating is polished chrome. The Galley floor is tan Loncoin. Countertops are beige Corian. The interior is fire blocked IAW FAA FAR 25.853 (c).
